Public Works Department

G. O. No. No. 3039 Dated 18th July 1953
Read the following:-

From the Chief Engineer (Electricity) No.1750 B.52-5 dated 5th November 1952
Government Memorandum No.94164 L/52-1, Public Works dated 25th November 1952
From the Chief Engineer (Electricity) No.1750.B.52-7 dated 27th January 1953
Government Memorandum No.94164 L/52-2, Public Works dated 31st January 1953
From the Chief Engineer (Electricity) No.1750.B.52.10 dated 19th May 1953

O R D E R:

According to paragraph 513 of the Madras Public Works Accounts Code, Superintending Engineers are empowered to sanction handing and taking over time in the case of all transfers of Divisional sub-divisional or other executive charges, and according to ruling 1 under Fundamental Rule 10 only persons already in Government service will be eligible for pay and allowances during such period of handing over and taking over.

2. The Chief Engineer (Electricity) has stated that the grant of handing and taking over time in respect of direct recruits to the posts of Junior Engineers, Supervisor II Grade, Chief Store Keepers and Store Keepers in the Electricity Department is inevitable and has pointed out that such direct recruits actually begin to discharge their duties in the posts from the date of joining, irrespective of the period spent in taking over charge of the posts, and that it will be hardship to deny them the pay and allowances for the period of taking over charge. The Chief Engineer (Electricity) has accordingly proposed that general orders may be issued authorising the Superintending Engineers of the Electricity Department to grant taking over time to persons recruited directly to the posts in the Madras Electrical Subordinate Service.

3. The Government accept the proposal of the Chief Engineer (Electricity) and authorise the Superintending Engineers of the Electricity Department to grant time to persons directly recruited to posts in the Madras Electrical Subordinate Service for taking over charge, on their first appointments, to the posts and to allow them to draw pay and allowances for the period so granted, and also to count it towards probation in the posts concerned.

4. Necessary rulings under Fundamental Rule 9(6) and Fundamental Rule 10? in this regard will be issued separately. The Chief Engineer is requested to submit proposals for amending rule 8 of the special rules for the Madras Electrical Subordinate Service.

(By Order of the Governor of Madras)

V.Venkatrayudu,
Deputy Secretary to Government

To the Chief Engineer (Electricity)
